## The Oregon Land Company

Is a corporation duly organized and operated under the laws of the State of Oregon. It began business in March, 1888, with a capital stock of \$20,000.

## The First Sale Made By This Company Was in April Last.

During the nine months which have since elapsed it has made 107 sales to 104 different persons. Of the purchasers 85 have bought farming lands. It has also, during this time sold 61 residence lots in Salem. Of those purchasing but 25 were residents of Marion county prior to purchasing. The remainder were from the following localities, viz: Jackson Co. 1—Polk Co. 3—Multnomah Co. 4—Clackamas Co. 1—Yamhill Co. 1—Montana 4—Minnesota 4—Kansas 10—England 2—Colorado 2—Washington Territory 7—Iowa 5—Dakota 3—Indiana 2—California 8—Nebraska 7—Ohio 3—Wisconsin 1—Missouri 1—Illinois 1—Pennsylvania 2—Unknown 7. This shows that sales are not confined to former residents of this locality, but that people are swarming in from the East to make their homes among us. The business of this company is constantly increasing. More than half of its sales have been made within the past three months, although this is a season of the year when sales are usually dull. The company has from 15 to 20 men constantly employed. It has representatives on Puget Sound. It has three men in Portland, two of whom give it their entire time. Rev. F. J. Strayer, who last year introduced so many immigrants into this State, is now in the East lecturing and distributing advertising literature exclusively for this company. He will start to this State with his first excursion on the 4th of April next.

This company is now spending more money to advertise Salem and the surrounding locality than

Within the past twelve days it has paid for and contracted for advertising to the amount of

We cannot advertise so extensively in our home papers as we wish, for the reason that parties whom we most desire to reach are residents of the Eastern States, where these papers do not circulate. We do not advertise every sale we make in the local press, but we have advertised in more than

In the East, as we depend upon Eastern buyers for the great bulk of our patronage. During the next few months our advertisements will be read by millions of readers of Eastern newspapers, who will thus be placed in direct communication with us, and nearly all of those who come to this coast will come ticketed for the office of

Who Were Cured in a Few Treatments by the Drs. Darrin at the Chemekete Hotel, Salem, Or.

## CROSS EYES STRAIGHTENED.

SALEM, Or., Jan. 8th. 1889.

EDITOR JOURNAL.—It affords me pleasure to state that Drs. Darrin cured my little girl, eleven years old, of a very bad case or cross of the right eye. The eye was straightened as good as ever in two operations. The eye had been in a crossed condition for over seven years. This is not intended as an advertisement, but as an expression of gratitude due to Drs. Darrin for their careful and proficient work.

J. B. TICHENOR.

## HEARING RESTORED.

Mr. Editor—Dear Sir: I have been troubled with deafness for over fifteen years. I applied to Drs. Darrin in Salem, and after a few treatments, by their wonderful electro-magnetic method, my hearing was almost entirely restored and now I can hear my watch tick for the first time in many years. I can be referred to and seen in regard to my case, at any time, at Howell prairie, or address me at Macleay, Oregon.

HENRY SLOUGH.

## RINGING EARS AND DEAFNESS CURED.

EDITOR JOURNAL.—Dear Sir: I wish to relate my case to the public that others may be benefited as I have been. Ever since I was 16 years old, I have been deaf, and of late years I have been very deaf. It was caused by the whooping cough. I am now 55 years old. I had also a ringing in my head and ears, so bad, that at times I could not rest nights. In this condition I came to Drs. Darrin, now stopping at Salem, Or., and consulted them. They said that they could cure me. I have taken five days' treatment, and the ringing in my ears was virtually cured by the first treatment; and my hearing is now restored. I can be seen and referred to at my home in Buena Vista, Oregon.

D. C. BALDWIN.

## ANOTHER CASE OF DEAFNESS.

ED. JOURNAL.—Dear Sir: I have been very deaf for over ten years—so that I could not hear a watch tick. I called on Drs. Darrin at the Chemekete hotel, Salem, Oregon, and have taken a few electro-magnetic treatments, and I am now so restored that I hear a watch tick, and general conversation. Can be referred to at Salem, Oregon.

D. W. EMMETT.

## HAPPY WESLEY GRAVES.

## HOW A LEADING HOTEL MAN OF SALEM WAS CURED BY ELECTRICITY.

Genuine Cure.—Mr. Wesley Graves, a resident of Salem for many years, returned from Portland a short time ago, and came skipping into this office the other day proudly assuring the reporter that he could personally illustrate one genuine example of the doctors' curative ability. He stated that he went to Portland and gave Drs. Darrin \$40 for a month's treatment for his rheumatism. In seven days the treatment was abandoned and he came home without a visible trace of the disease. He carries crutches but these are on account of his short leg. For two years he had not a quiet night's rest, and now he sleeps like a log. For three years he had been taking morphine at the rate of nine grains a day, and now he has neither use nor desire for it. These are the statements of Mr. Graves, heard by him freely, and he says he is better pleased with his condition than could be expressed in money. He thinks Drs. Darrin wonderful.

## OFFICE HOURS AND PLACE OF BUSINESS.

Drs. Darrin can be consulted free at the Chemekete Hotel, Salem, Or., for a short time only.

They will under no circumstances take a case they cannot cure or benefit. Charges are reasonable, and the poor treated free from 9 to

10 a. m. daily. Office hours from 10 to 4 daily; evenings, 7 to 8; Sundays, 10 to 12. All curable chronic diseases, loss of manhood, blood taints, syphilis, gleet, gonorrhea, stricture, spermatorrhea, seminal weakness, or loss of desire of sexual power in man or woman, catarrh or deafness, are confidentially and successfully treated. Cures of private diseases guaranteed and never published in the papers. Circulars sent free. Most cases can receive home treatment after a visit to the Doctor's office.

N. B. The doctors' stay in this city is limited.

## THE FARMERS' CONGRESS.

The Organization is Completed and Some Strong Resolutions Are Passed.

The Oregon Farmers' Congress met yesterday in the Grange hall in Salem. President M. Wilkins of Lane county called the meeting to order.

J. P. Robertson, chairman of the executive committee, reported the action of that committee since the last meeting of the farmers' congress, which was held at the State Fair ground September last. The minutes of that meeting, together with the constitution adopted were read and discussed at length.

The address to the farmers of the state, drawn up by the executive committee was read—and a special committee, consisting of J. P. Robertson, Chas. Miller and P. Hays was appointed to formulate a plan of thorough organization of the farmers of Oregon.

The committee appointed to draft a platform of principles and to formulate a plan of organization reported the following platform of principles which was adopted by sections:

1. The president of this state congress is authorized to appoint in each county in this state a competent person to organize his county.
2. That the organizations so organized shall organize subordinate organizations.
3. That county organizations shall be entitled to such representation in the Farmers' Congress of the state of Oregon, as shall be fixed by the executive committee of this Congress, provided that such organizations endorse the objects and purposes of this Congress, and adopt a constitution and by laws not inconsistent therewith.

A committee of three, consisting of K. L. Hibbard, W. R. Kirk and M. V. Matthews, was appointed on resolutions, and submitted the following report, which was adopted:

WHEREAS, There now exists on our statute book, a law providing for a railroad commission—whose duty it is to arbitrate and settle disputes—between the shipper and the railroad authorities and

WHEREAS, Said law does no real justice to the railroad companies but its operation tends to secure justice between both the shipper and the railroad authorities. Therefore be it

Resolved, by the Oregon Farmers' Congress, that we are firmly opposed to the repeal by the legislature now in session, of the law, creating said railroad commission.

Resolved, Further, that we are in favor of the law being amended so as to give the said railroad commission authority to regulate any injustice between the shipper and the railroad companies.

Resolved, That we are firmly opposed to the repeal by the legislature now in session, of the law known as the Mortgage Tax Law, or the Treasury Law.

WHEREAS, The superintendents of schools of this state have voted to change the school books of this state, and that such change will involve a vast expenditure of money we therefore ask the present legislature now in session to prevent the consummation of such change.

M. Wilkins' time as president having expired, R. L. Hibbard was elected president.

When the convention adjourned, it was to meet on Wednesday evening of state fair week, 1889.

## A Fine Piece of Work.

The West Shore for January is to be one of the finest issues that successful journal has known. This edition is to be devoted to Salem and many superior illustrations have been prepared for it. This magazine is the only one on the coast that is prepared for the execution of such artistic work. Even from the east, Mr. Samuel receives many orders for illustrations. This New Year number of the West Shore will be a treat to your friends over the mountains. You should get a few copies and work a little as an amigration agent.
